\* Bemerkung: Der Qur'an beinhaltet umfangreichere Verse als die, die hier angegeben sind. Bei den angegebenen Stellen geht es lediglich um Beispiele und Verse, in welchen die Eigenschaften des Erhabenen zum Teil vorkommen. Für vollständige Angaben wird auf das Nachschlagwerk "Lan Tabur" und "Und Allahs sind die Schönsten Namen", **Islamische Bibliothek** verwiesen.

Beginn der alphabetischen Anordnung  
ohne Rücksicht auf Umlaute und diakritische Zeichen der arabischen Transliteration.  
Islamische Namen und Termini werden im Register teilweise verwendet; auf diese wird meistens durch Worte hingewiesen, die in der deutschen Sprache üblich sind:
